President's Message for May 2020

Greetings fellow Rock Hounds,

I hope everyone is well and doing their best to stay safe. It is difficult keeping social distance and not being able to be with the ones we love. Now that the Wisconsin restrictions have been lifted, I fear that we will see a spike in covid cases and deaths. As many of us are in the vulnerable group, I find this extremely scary. Unfortunately we are all at the mercy of those least informed. Please do your best to stay safe and healthy.

So...saddly there will be no May meeting. The good news continues to be that getting outside into the field by yourself or a friend is a wonderful way to spend some time.

As you probably know Moose Lake Agate Days and the Indianhead Rock Show has been cancelled and other clubs have done the same thing. Be sure to check for cancellations before you head out to other rock shows. We are strongly considering canceling our show in August. We are contacting vendors and the Rice Lake Fairgrounds is open to anything we decide. More later.

One last thing. Have you checked out our club Facebook page? You will find it under Northwest Wisconsin Gem & Mineral Society. I strongly encourage you to add any rock related information, vacations and photos you might think others would enjoy. Like the club, this page is for you. Please use it, comment on postings and post things yourself. Stay safe, stay well.

Peace,
Dave
